

Jet Propulsion Laboratory
California Institute of Technology
Pasadena, California

16th ANNUAL SMALL BUSINESS SCIENCE FORUM & SUPPLIER FAIR

von Karman Auditorium
 May 3, 2012 - 9AM - 1PM

Exhibitor	Products, Services and Core Capabilities	Business Size
Able Aerospace Adhesives	Sales & distribution of composite materials, adhesives, coatings, lubricants, chemicals, dispensing supplies & equipment, paint, soldering materials, tapes, mold release, thermal material, cleaning products; & safety equipment. ISO 9001 & AS9120 certified	SDB/HUB
Advanced Measurement Labs	Precision dimensional measurement services; 3D CAD model-based inspection; CAD solid modelling; CMM & conventional first article inspection; receiving inspection. Resellers of quality control machines	SB
Aerotech	Motion control; positioning tables/stages & positioning tables	SB
Applied Aerospace Structures	Advanced composites & metal bonded aerospace structures	SBWO
Atlas Fibre	Mfgr & master distribution of theroset materials (different from thermoplastic materials), paper canvas & linen phenolic	SB
Cablenet Wiring Products	Ground support equip; electronics & electrical test tools & ETCU	SBWO
Electronic Telemetry & Power Conditioning	Design, development & manufacturing of electronic power converters	SB
Engage Integrated Systems Technology	Integration & engineering; disaster recovery planning; project management	SDVOSB
Fairbanks Laboratories	Sensors; electrical & systems engineering & telecommunications	SB
FirstPass Engineering	Integrated circuit design services; turnkey design; PCBs	SB
Global Test Equipment	Provider of general purpose test equipment & services	SBWO
Integra Technologies	ISO9001-2008 certified mfg of high power RF transistors; modules; amplifiers; L-band, S-band & C-band markets; custom design services with advanced technology semiconductors	SB
IT Data Storage	Data storage and data backup technology solutions for data centers	SDB
MishMaxia	Network graphics adapter; design & production; video h/w & computer design with supporting video drivers	SB Vet
Occupational Services	Metrology. Calibration of radiation detection equipment; industrial hygiene; health physics (radiation safety); safety eng; IIPP; OSHA safety programs; EH&S outsourcing; BSC Certification	SB Vet
Quality Systems Integrated	EMS provider; full turnkey prototype to production assembly	SB Vet
Qwaltech	Mission readiness & operations; systems engineering; technical training & program management solutions	SDB
Reinhold Industries	Fab & ablative structures (both composite & composite/metal bonded)	SB
Safari Micro Government Solutions	Servers & storage; printing & imaging; networks; personal computing; backup & archiving; cloud computing; data center; security & s/w services	SDVOSB
Seegra	Electrical engineering solutions; reliability engineering analyses; PRA & worse case analysis	SDVOSB
Southern Calif Braiding/IEC-Electronics	Manufacture cable assemblies & wire harnesses	SB
The McAfee Group	Construction; environmental remediation & facilities support services	SDVOSB
Titan Power	Critical power & air solutions for data centers, computer rooms, & mission critical facilities	SB
Ward/Davis Associates	Electronic capital equipment	SDB
WHITMOR/Wirenetics	Design, manufacture & distribute insulated, non-ferrous copper wire; cable; tubing & heat shrink products	SB

HUBZone=Historically Underutilized Business Zone

SB=Small Business

SDB=Small Disadvantaged Business

SBWO=Small Business Woman-owned

SB Vet=Small Business Veteran-owned

SDVOSB=Service-Disabled Veteran-owned Small Business
